

Naval Postgraduate School
Monterey, California

Susan G. Hutchins

Research Associate Professor
Mail Code: IS
Department of Information Science
Graduate School of Operational and Information Sciences
Monterey, CA 93943
Phone: 831 656-3768
Email: shutchins@nps.edu

EDUCATION:

MS - San Diego State Univ, 1983
BS - California State College, Sonoma, 1974

NPS EXPERIENCE:

- Present: Research Associate Professor, Department of Information Sciences (Emphasis on Human Factors research related to Command and Control, Human/Team-in-the-Loop Decision Making, Decision Support, System Design, Cognitive Task Analysis)

OTHER EXPERIENCE:

- 1977 - 1997 ([Other Experience](#))

RESEARCH INTERESTS:

- Human performance measurement
- Cognitive decision-making
- Decision support system design
- Tactical decision making under stress
- Human factors analysis of complex systems
- Team decision-making
- Human-in-the-loop simulations
- Organizational design
- Cross-cultural decision-making

PUBLICATIONS: ([View an extended list](#))

KEYWORDS/TECHNOLOGIES:

- **Keywords:** Human Factors, Cognitive Decisionmaking, Command and Control, Decision Support System Design
